

Swiss American Historical Society

The Swiss American Historical Society was established in 1927 to promote the study of the Swiss in America, Swiss–American relations, Swiss immigration to the United States, and American interest in Swiss history and culture.

Benefits of Membership

- Three issues of the *Swiss American Historical Society Review (SAHSR)*
- A free copy of any book published by the society in that year
- Newsletters
- Special invitations to the annual meeting and activities of the SAHS

Annual Meetings

The Society meets the second Saturday in October. Future meetings will be held in Washington, D.C. in 2013, Philadelphia in 2014, and New York City in 2015.
